**Description**

This third-floor corner apartment has been fully renovated throughout to include re-tiled floors, a refurbished bathroom to include a washing machine and a recently fitted kitchen with new appliances. The apartment gives a bright and spacious feel with the previously open terrace doors removed and the balcony being glazed in to give an extended usable living area. There are a good-sized built-in wardrobes and additional fitted storage shelving. The complex has a good-sized swimming pool with extensive sunbathing areas around and a pool-side bar-cafeteria offering cold drinks or snacks on those hot Summer days, the complex also has a security entrance system, communal parking areas and Digital Satellite system. There is also the possibility to have broadband telephone/internet (Known as ADSL in Spain).
