Description

Bright and sunny studio apartment located on the top floor of a well-maintained complex near to the sea. The property has a living space of 33 sq metres offering an entrance area with built-in wardrobes, a living/sleeping area with an American style kitchen, a bathroom equipped with a washing machine, patio doors onto a covered terrace with sun awning which offers beautiful distant views to the sea and landscape. The complex has a porter service, intercom system, solar system, and a large communal roof terrace. The community fees include hot/cold water. The apartment is sold fully furnished and equipped!
