Description

FRONT LINE TO THE SEA!!

This studio apartment is located in a very well maintained building in an excellent location, front line position to the sea. The property has a living area of approx. 39 m² including the terrace and is a larger than average sized studio, which is divided into a bright living room area with open plan kitchen with window towards garden area, a sleeping area with twin beds and a shower room with walk-in shower and a nice south west facing terrace that offers partial sea views and afternoon sun. The complex has a communal swimming pool with outdoor shower, a children's pool and large terraces for sunbathing. The apartment also has satellite TV and large built in wardrobes.
